## MESSAGE

On the auspicious occasion of Dussehra, I extend greetings to all the people of Arunachal Pradesh and pray for peace, prosperity and amity in the State.

The festival of Dussehra signifies the essence of truth and accentuates that good always triumphs over evil. It also illustrates the importance of ethical and moral values and value systems so deeply rooted in our society.

On this festive occasion, we should all resolve never to tolerate injustice and strive our best towards realizing our dream of a progressive State, built on foundations of compassion, justice, equality and truth.

General JJ Singh
